Ascom Certified System Integrator

Ascom Certified System Integrator *(ACSI)*

Reseller / Strategic Partner Certification that follows the certification path. To obtain ACSI, you must maintain two individuals that are Ascom Product Qualified in all Ascom Products:*

IP-DECT	*VoWiFi*
Unite Core	*Telligence*
teleCARE IP	*Connect for Clinical Systems*

*Note: These do not need to be the same two individuals, just two individuals per product.
Companies need to verify yearly that they meet these requirements to maintain ACSI Status.
